Insurance

We must bring to your attention clause 21 of the License Agreement. Under the terms of the License Agreement there is no insurance cover included.

However, we strongly recommend that you have insurance cover in place to protect yourself and your stored effects.

You can either insure your effects through ourselves or you can make alternative arrangements through another company of your choice.

We can arrange insurance in accordance with the terms and conditions of the Policy as detailed on the attached Policy Summary. This insurance will cost £1.00 per £1,000 value per week. The declared value, upon which the premium is calculated, should be adequate to cover your effects in the event of an accident.

It is important to note that regardless of whether or not you have insurance cover with ourselves we do need to know the value of your stored effects. This value should be kept up to date and any variations must be notified to us during the term of the License Agreement.

If you do have any queries on this please contact Matthew Elbro 01865 740709 or email melbro@lukerbros.com
